

## CADD Technician - Municipal

Davis, Bowen & Friedel, Inc. (DBF) seeks a CADD Technician in our Salisbury, MD office to assist our Municipal Engineering department.

Duties shall include, but not be limited to, assisting and providing support to municipal engineers with design, drafting, and development of construction drawings for public infrastructure projects including water, wastewater, stormwater, and streets. Proficient in the use of AutoCAD is required for the position.

Desired qualifications include at least a 2-year associate degree, two to four years of related experience with preparation of construction details and drawings, and the demonstrated ability to work in a team environment.

We offer a professional setting to work and develop your engineering career, an attractive incentive package, liberal PTO, and very competitive benefits. Learn more about us and our work on our website: [www.dbfinc.com](http://www.dbfinc.com).
