

## Civil Engineer - Structural

Davis, Bowen & Friedel, Inc., seeks experienced Structural Engineer for either our Milford, DE or Salisbury, MD office.

Duties shall include but not be limited to structural design of various residential, commercial, municipal and institutional buildings / structures as well as the ability to perform existing building assessments and evaluations.

PE licensure will be required in Delaware and Maryland, or the ability to obtain such licenses within 12 months from date of hire.

Desired qualifications include at least three years of experience, proficiency in AutoCAD and the demonstrated ability to market to and work with both private and public clients.

We offer a great place to work, an attractive incentive package, liberal PTO, and very competitive benefits. We are located in downtown Salisbury, a thriving college town situated approximately 30 minutes from Maryland beaches. Our office is centrally located on the Delmarva Peninsula, approximately 2.5 hours drive from several major metropolitan areas including Washington, DC; Baltimore, MD; Philadelphia, PA; and Virginia Beach, VA. Learn more about us and our work on our website: [www.dbfinc.com](http://www.dbfinc.com).

Forward resume and cover letter to:
