

## Survey Technician

Davis, Bowen & Friedel, Inc. (DBF), seeks a Survey Technician for our Salisbury, MD office.

Individual must have previous survey experience with a working knowledge of boundary, ALTA, topographic, right-of-way acquisition and construction surveys utilizing the latest technology. Proficiency in AutoCAD required. Experience with reduction of survey data, GPS networks and plat preparation are a plus. Responsibilities will include FEMA applications, stakeout computations, legal descriptions and record drawings. Individual may also interact with survey field crews.

Certified Survey Technician (CST) encouraged and 2-3 years previous surveying experience preferred, but not required. High School Diploma or GED and valid driver's licensed required.

We offer a great place to work, an attractive incentive package, liberal PTO and very competitive benefits. Learn more about us and our work on our website: [www.dbfinc.com](http://www.dbfinc.com).
