

Waters and Mumford of Davis, Bowen & Friedel, Inc. Named Associates

Christopher D. Waters, P.L.S.

Davis, Bowen & Friedel, Inc. (DBF), has recently announced that Christopher D. Waters, P.L.S. and Clifton D. Mumford, P.E. have become Associates with the firm.

As a certified professional land surveyor in both Maryland and Delaware, Waters comes with more than two decades of experience, beginning his surveying career in 1987, with Andrews Miller & Associates – a firm which would later merge with DBF in 2007. Waters continues to lead DBF's survey department in Easton, Maryland and Milford, Delaware as the Survey Manager. His surveying expertise includes topographic, site plan, boundary, elevation, and lot line survey in addition to improvement location, stakeout, and subdivision work. Waters is also a forest conservation specialist.

Joining Waters in the promotion to Associate status is Clifton D. Mumford, P.E. Mumford has a Bachelor of Applied Sciences from the University of Delaware and is based out of DBF's Milford, Delaware office. He has over a decade of experience as a project engineer in both Maryland and Delaware and plays a significant role in the firm's civil engineering department designing sites for government projects and private sector communities. Mumford is currently working on several commercial and residential projects including, White's Pond Meadow, Coastal Corner, and Asbury Square.

"Chris and Cliff continue to be key contributors on several projects all across the Delmarva Peninsula, and we couldn't be more excited to recognize their hard work and dedication with this promotion," shared DBF Principal Ring Lardner, P.E.
