

Scanlon Achieves Associate Status

Davis, Bowen & Friedel, Inc. (DBF) is pleased to announce that Terry P. Scanlon has been promoted to Associate with the firm's Milford team.

Scanlon's promotion from senior designer comes after eighteen years of service with DBF where his experience has been utilized for various applications including site design, grading, sewer design, stormwater management design and surveying for both residential and commercial projects. His educational background includes coursework at both Delaware Technical and Community College as well as the University of Delaware.

His work with DBF has included projects throughout the Eastern Shore including Kent and Sussex County, Delaware as well as Worcester and Dorchester County, Maryland. In addition to Scanlon's many achievements, he served as a DNREC Certified Construction Reviewer for over twenty years.

"Terry is an extremely talented individual," shared W. Zachary Crouch, P.E., principal of the firm. "His understanding of stormwater management and site design has contributed to his personal success and the success of the firm. Terry is a dedicated and loyal employee that has worked hard toward his success, and it has been an honor to have him on our team for the past eighteen years."

Davis, Bowen & Friedel, Inc., is a full-service architectural, engineering, and surveying firm with offices in Milford, Delaware and in Salisbury and Easton, Maryland. For additional information about DBF, visit www.dbfinc.com.
